**CA07 RICE pan**

A pan meant to be used with the caliu BBQ. You’ll be able to cook either with the direct heat of the barbecue or the indirect heat if you use the lid. RICE is perfect for cooking rices, paellas, seafood, fish or giving any dish a smokey touch. It can also be used as a griddle. Use it to cook and dish with sauce or broth.

**CA08 VEGA pan**

A pan meant to be used with the caliu BBQ. You’ll be able to cook either with the direct heat of the barbecue or the indirect heat if you use the lid. A perfect pan to cook mushrooms, clams, mussels or vegetables, because your food won’t fall through the grid.
