

# RONER 20

## 80008 RONER20

Roner20 is the latest Roner manufactured by ICC, to celebrate the 20th anniversary of the first Roner that was developed and marketed by Joan Roca of El Celler de Can Roca.

Its fixing system with double anchor clamp is adaptable in height to be able to insert it into any type of large or small container ensuring a good grip and the necessary depth to work.

Reliable, robust, compact and easy to handle.
