

# HEAT PROTECTION

## 69064/69066 HEAT PROTECTION

Silicone sleeve protects hands against burns when using an iSi stainless steel bottle for warm applications.

An iSi Whipper using the heat protection sleeve can be used in a bain-marie or water bath (max. 75 °C/165 °F). The heat protection sleeves are available for 0.5 L (1 US Pint) and 1 L (1 US Quart) iSi Gourmet Whip.
