# Fried dough made with Gourmet Whip

We show you how to make the Chinese bread of the restaurant Disfrutar (2 Michelin stars).

# Blood peach espuma

A sanguine peach mousse to accompany ice cream or fruit-based desserts.

# Hot cauliflower espuma

There are other ways to eat vegetables, especially if you have children!

# Nitro gin fizz

The Gin Fizz is the best known of the “Fizz” family of cocktails. We versioned it with nitro

ICC LAB

# Tropical Carrot Pisco Sour

Variation of the traditional Pisco Sour prepared with carrot.

# Flavoured infusion in the Rotaval

We distilled crushed lime peel with a little water to obtain a very aromatic and fresh water..

# Mascarpone Espuma

This espuma is much lighter than the usual Mascarpone cream.

# Hazelnut ice cream sandwich

One of the allies for these hot days. Our favourite is the hazelnut ice cream sandwich

# Hollandaise Espuma

Eggs Benedictine is not Benedictine without hollandaise sauce.

# Unburnt crème brûlée with fresh blood orange confiture

Light, soft, almost ethereal espuma texture of the Catalan cream.

# Mandarin, mint, Bonanto and spiced soda cocktail

Lorem ipsum dolor sit amet, consectetur adipisicing elit. Quidem, provident.

ICC LAB

# Bangkok Lemonade

A very spring-like cocktail for these evenings that are already getting longer.

ICC LAB

# Nitro Coffee Gin & Tonic

A natural energy booster: Cold Brew Coffee has a higher caffeine content. And with it we prepare this gin and tonic.
