

# ICE DUO, CLEAR ICE MACHINE

## IMT100A-EUUK

IceDuo is a machine that produces clear, uncut ice and bullet-shaped ice in a single unit, bringing the professional cocktail experience into the home in a simple and convenient way.

Thanks to its advanced water and cooling control system, it creates crystal-clear ice in perfect shapes – sphere, cube, diamond and bar – as well as bullet ice for quick drinks, always ensuring excellent presentation.

Its dual function makes it a versatile addition to any kitchen or bar, ideal for both special occasions and everyday use.
